

## **AGENDA REQUEST**

**Sponsor:**

Raymond E. Graham, Vice-Chairman, Cedar Run District  
Supervisor

**Board of Supervisors Meeting Date:**

April 12, 2007

**Staff Lead:**

Paul S. McCulla, County Administrator

**Department:**

County Administration

**Topic:**

A Resolution to Support the Use of Free Consulting Services to Explore Ways the County Can Utilize Energy Efficiency Programs

**Topic Description:**

The Fauquier County Board of Supervisors desires to explore the possibility of utilizing energy efficiency programs, and to encourage County citizens to participate in such programs. The attached resolution indicates support for the use of free consulting services to explore ways that the County can utilize energy efficiency programs, challenges the other 94 counties in Virginia to do the same, and requests the Virginia Association of Counties to consider providing support services.

**Requested Action of the Board of Supervisors:**

Consider adoption of the [attached resolution](#).

**Financial Impacts Analysis:**

None

**Identify any other Departments, Organizations or Individuals that would be affected by this request:**

Virginia Association of Counties
